## Newly refurbished one-bedroom family suite within the 5\* Puente Romano Beach & Spa Resort for rent.

Superb & newly refurbished this privately owned, one-bedroom family suite is ideally located within the hotel premisses, close to the hotel reception, opposite the Puente Romano tennis club and only a short walk to all the fabulous shops, restaurants and to the beach and its promenade.

This recently refurbished suite has been very cleverly designed to accommodate a family of 2 adults and 2 children.

It comprises sleeping for four in one double bed in the suite living area and one separate guest bedroom with two bunkbeds with a little corner sink.

It offers a nice sized bathroom with shower, as well as an open plan, modern and fully fitted kitchen with washing machine, dish washer and a Nespresso coffee machine.

There is plenty of cupboard space throughout and has a safe. The bright living area has a large sofa seating area with smart TV and gives access to a private, south-east facing terrace with dining area and terrace heater for the colder evenings and offers lovely views to the tropical gardens.

You can use two of the three swimming pools that the hotel offers, the main upper pool and the one by Rachel's Eco Love restaurant which is normally heated in the Wintertime too. Daily maid service is available

at an extra charge of 25€ per day / 1 hour. Easy parking within the resort close by.
