Communal garden

The property is located in the area of Camojan, one of the most sought after areas of the Golden Mile. Close to the wonderful Sierra Blanca mountain range and its spectacular La Concha mountain from where spectacular views of the sea can be seen. Its location offers innumerable advantages such as its proximity to the city centre and Puerto Banus, only ten minutes away by car, to the centre we can also walk down to it. Close to the best international schools, trendy leisure areas, high-quality restaurants and essential services.

The townhouse belongs to a residential complex in a Mediterranean Arabic style, with beautiful gardens and a large swimming pool reminiscent of an oasis of peace. South facing, it is distributed over three levels. On the entrance level, there is a guest bedroom and a bathroom also used as a guest toilet, the spacious living room with dining area and fireplace has access to the covered terrace and private garden with an exit to the pool. The kitchen with natural light coming in from the ceiling is of traditional style, fully fitted and equipped with high-end appliances. In its decorative style, the white tones on the floor and walls stand out, with colonial furniture that blends in with the natural light, generating a feeling of wellbeing in all its corners. On the first floor, there are two bedrooms, the master bedroom en suite is very spacious with built-in wardrobes and a wonderful private terrace with sea views, the other bedroom also en suite is south-east facing with access to a small private terrace-balcony. The top floor is occupied by a bright attic bedroom with direct access to the large private terrace with sea views, the glazed en-suite bathroom is very spacious with an oval bathtub from where you can see the outside views.

The property offers hot and cold air conditioning in the whole house and a private parking space within the complex.
