ANDALUCIAN CHARM AND STYLE

Experience a world of luxury at a private and secluded home from home, just minutes from Marbella's hub of clubs, restaurants and bars – a perfect blend of luxury and Andalusian tradition, charm and elegance. This exclusive villa is located in the outstanding Marbella Hill area, just a 10-minute drive from the fashionable Marbella Club and close to Puerto Banús, the famed shopping center and marina. It is quite simply, Andalusia's finest.

STYLISHLY DESIGNED FOR COMFORT

Extensive, private, and peaceful, this villa is beautifully decorated throughout, focusing on a modern, yet classic Spanish style. This property can sleep up to twenty guests, in ten beautifully decorated bedrooms, each with elegant en-suite bathrooms and its own Bang & Olufsen entertainment system and Sky TV. The master suite has its own shared terrace for surveying the property – perfect for a private breakfast or pre-dinner cocktails. The two air-conditioned interior sitting rooms are wonderful spaces to escape from the midday heat, whilst not compromising on comfort. The interior dining room provides an easy alternative to the outdoor dining terrace – for breakfast, lunch, or dinner. The fully equipped gym is at your disposal – and if you don't have the luxury of a complete break from reality, the extensive study area or the library are ideal for catching up on some emails in private. A traditional Spanish courtyard provides another space for sitting, entertaining, or hiding away.

ENTERTAIN YOUR GUESTS, NO MATTER WHAT THE OCCASION

The spacious interior and beautiful gardens make this property perfect for entertaining – just ask our team, who will be happy to help you host any event you want, accommodating up to 150 guests.

TAKE IN BREATHTAKING ANDALUCIAN VISTAS

The substantial 3,750 square meters of landscaped garden look out onto an exceptional view of the Sierra Blanca mountain range on one side and the Mediterranean Sea on the other. It's unbeatable.
