Just a 5-minute drive from La Nartelle beach, this villa in the countryside enjoys a serene and private atmosphere created by its lush canopy of Sainte Maxime vegetation. From the terrace, the pool area looks like a secret lagoon. Inside, light wood textures and creamy tones keep the atmosphere more relaxing. You'll find a bustling town centre and beautiful beaches just a stone's throw away, and don't forget to take advantage of the boats from the port of Sainte Maxime to Saint Tropez to avoid traffic jams!

Just 15 minutes from Saint-Tropez by green boat, you'll appreciate the town that attracted the international jet set in the 1960s, and still dazzles with its beaches and nightlife. The cobbled district bears witness to its past as a fishing village.

At your request, we can dock a private boat on a small discreet beach, protected from tourists. You will be in peace in a green environment, a tomato and aromatic herbs garden will be at your disposal to taste the naturally grown products, a delight for your taste buds.
