Built within 80 hectares of olive groves, the complex comprises three distinct elements: An impressive central cortijo, which branches off into several living spaces, built on the original and historic cortijo property.

It is composed of an equestrian area consisting of a covered and an uncovered riding arena plus two stables with space for 24 horses, in a setting of exceptional beauty and comfort.

Refresh yourself after a long day of horse riding in the 25-meter long infinity pool. Relax in this large property surrounded by olive trees.
