Spectacular beachside villa recently completely renovated and located in Guadalmina Baja, an established and sought-after residential area. Situated on a very private south-facing plot with electric entrance gates which open onto a Portuguese natural stone driveway with tropical vegetation. A beautiful wooden bridge with a double height vaulted ceiling and a water feature lead to the main entrance of the property. The entrance hall is open-plan with a 7 metre height ceiling with a gallery on the upper level overlooking it and leading to the living and dining areas. Beautiful modern kitchen opening onto the family and laundry area and double garage. There are 3 en-suite bedrooms on the ground floor, all with access to the stunning garden. The master en-suite bedroom is on the upper level and has a huge private terrace overlooking the garden, an incredible bathroom with his and hers Onyx walk-in double showers and walk-in wardrobes. There are two additional en-suite bedrooms on this level along with a study. The property has an incredible tropical garden with a lagoon shaped pool and a smaller heated pool with Jacuzzi. A unique family home beautifully finished combining the very best of modern design and the use of natural materials.
