Only 50 metres from Los Monteros beach, Villa could be the hideaway you won't want to leave. With a covered terrace surrounded by a lush garden, a large pool and striking sea views, room to sleep 12 in style and a sleek, opulent feel throughout, Villa has a great deal to offer.

The villa's ground floor has an open-plan layout that creates a light and airy ambiance. Polished marble floors and a sweeping staircase add to the villa's sumptuous feel, while the lounge area is a sun-drenched space to unwind in, thanks to large patio doors leading to the terrace. Also on the ground floor, there's a smaller TV room, two kitchens and two of the bedrooms, both en-suites.

The upper floor at Villa is a place for rest and relaxation, with four well-appointed bedrooms. Each is tastefully decorated with a stylish and homely feel. The private guest house is also a wonderful feature offering even more space and privacy, with its own en-suite bedroom and living room overlooking the garden and pool.
